

The 2016/2017 Animal AlliesSM FIRST[®] LEGO[®] League season is about to begin!

FIRST[®] LEGO[®] League (FLL) is a robotics program for 9 to 14 year olds designed to get children excited about science, math and technology and teach them valuable 21st century life skills.

In FLL, kids design and program a LEGO[®] MINDSTORMS[®] robot. They also research challenges facing today's scientists and create an innovative solution. They learn critical thinking, team building and presentation skills... all while having a lot of fun!

Several Information Sessions have been scheduled

Students are encouraged (but not required) to attend the information session for the middle school they will/or do attend.

August 25th: 6:30 pm Patrick Henry Middle School Cafeteria

August 30th : 6:30 pm in the Downtown EmBe gym, 300 W 11th St, Sioux Falls. This is the information session especially for Whittier and Brandon Students.

September 1st: 6:30 pm in the O'Gorman Junior High music room especially for Sioux Falls Catholic Schools and Sioux Falls Christian students.

September 8th: 6:30 pm McGovern Middle School Cafeteria especially for McGovern & Harrisburg students.

September 12th: 6:30 pm Edison Middle School Cafeteria

September 13th: 6:30 pm Memorial Middle School Cafeteria.

Come learn about the excitement that is FIRST LEGO League AND form a team!
