

Super Hero Day

for

Brayden!

Tuesday, Nov. 22, 2016

Brayden Mager is a 4th Grade student at Liberty Elementary School in Harrisburg, SD. Brayden was born with Ring Chromosome/Monosomy 18 syndrome, Congenital Heart Defect, and Severe Hearing Loss. In October, Brayden underwent his 5th Open Heart Surgery in Ann Arbor Michigan. Brayden is a FIGHTER and he has been overcoming great odds since the day he was born. Brayden loves SUPER HEROES, so we would like to support him and his family by asking the Liberty community along with other Harrisburg Schools to take part in **SUPER HERO Day for Brayden**. Please donate \$1.00 or more and dress up in your favorite super hero outfit or shirt (no props please) on **Tuesday, Nov. 22, 2016** to support Brayden and his family.
