People's Choice winners for each grade level will also receive a trophy.

Registration Deadline: February 16th

Complete registration form below.

All participants must stop in the office to pick up an informational packet (including rules) needed for the science fair.

Sponsored by Parent Teacher Organization

Please contact Lynn Bren with questions lbren18@gmail.com

Attention Classrooms!!

Kindergarten, 1st grade and 2nd grade may choose to participate in a classroom display-only science project. Each classroom may prepare one science fair project that can be independently displayed the night of the science fair. The public will vote on their favorite classroom project and that class will win a trophy!!! Please let us know if you are interested in doing a classroom presentation.

Return this registration form to the office. One form per project

Name – Participant #1 _____ **Grade:** _____

Name – Participant #2 _____ **Grade:** _____

Briefly describe your project:

Any special requests for your project? Electricity, extra space etc?

Please make sure you pick up a packet of information at the office which includes this year's rules for the science fair!!!
